RUSSELL HILDEBRAND APPOINTED AS CITY ATTORNEY

ROCKLIN- The City of Rocklin has appointed Russell Hildebrand City Attorney. Hildebrand has served Rocklin since 1997, beginning his career as Deputy City Attorney and then Assistant City Attorney.

“We are delighted to have someone of Mr. Hildebrand’s experience and expertise advising the City of Rocklin on important legal issues,” Rocklin Mayor Kathy Lund said. “Russell is an integral part of our team.”

The Rocklin City Attorney’s Office advises the City Council, City departments and all boards and commissions. It prepares and reviews all ordinances, resolutions and other documents and represents the City in civil litigation. Hildebrand will also act as general counsel to the Rocklin Financing Authority and Rocklin Redevelopment Agency. Prior to joining the City of Rocklin, Hildebrand served as a contract attorney for the Sacramento Housing and Redevelopment Agency Legal Department.

Hildebrand is a volunteer arbitrator for the Better Business Bureau and is married with two children. In his spare time, he enjoys teaching racecar enthusiasts the competitive edge of sports car racing.
